Catherine Beattie Medal

CATHERINE BEATTIE MEDAL is awarded for a horticulture entry distinguished by its vibrancy, prime condition, and perfection of grooming. The entry must have been grown by the exhibitor for at least six months. The medal may be awarded for a single plant, collection of plants, container garden, or cut specimen, but only if there is an exhibitworthy of the honor. It may be awarded to members of GCA clubs only; individual, joint, and club entries are eligible. The award should not be considered as a substitute for Best in Show. The medal may not be awarded to the same exhibit more than once

Clarissa Willemsen Horticulture Propagation Award

This award was established to encourage plant propagation and to honor Clarissa Willemsen, an outstanding horticulturist, a past president of The Garden Club of America and the GC of Morristown. The award is to be presented at a GCA Flower Show for a horticulture entry distinguished by its prime condition, flawless grooming and difficulty of propagation. The entry must have been propagated and grown by the exhibitor for at least six months, and may be given for a single rooted plant or a collection.

Rosie Jones Horticulture Award

The Rose Jones Horticulture Award is to be awarded to a horticulture entry of exceptional visual appeal that reflects the spirit of growing with joy and enthusiasm and inspires others to propagate, grow, show and share horticulture. An entry propagated by the exhibitor will be given special consideration but propagation is not a requirement. Perfection, while always desirable, is not a primary criterion. This award celebrates the ineffable joy inherent in the beauty and pursuit of horticulture. It could be the entry that would win the popular vote but not necessarily the Beattie or the blue ribbon. Its primary virtue shall be its exceptional and exuberant inspiration. It may be awarded at a GCA Flower Show and is to be judged by GCA Judges.
